

[Simplified](#) is hiring a handyman to join our team in Boston! Simplified provides daily support to clients allowing them to live a more streamlined, less stressful and more productive life.

Our handyman team tackles projects such as:

- Carpentry.
- Minor home repairs.
- Hanging art, shelves, window treatments or backyard twinkle lights.
- Power washing and grill cleaning.
- Touch up painting.
- Furniture assembly.
- Replacing light fixtures and bulbs.
- Patching holes.
- Trouble-shooting home problems as they arise.

Ability to safely use common power tools and hand tools is important as well as basic knowledge of plumbing, HVAC, electrical and mechanical systems. Strong organizational skills, flexibility, problem solving and time management are very important to success in this position. Integrity and honesty are a must! As the needs of our clients vary, so does the nature of the work we perform.

Professional experience as a handyman, carpenter, or related hands-on field required.
